

COVID-19 Safety Plan for Fireworks Show

We ask each person attending to read through the Covid rules for the Fireworks show

Upon arrival at Lakeside Multiplex parking lot, drivers are asked to give their name and phone number. Staff will provide vehicles with COVID-19 Rules (**rules are also published on our website**).

We will ask each attendee to stay in their vehicle for the duration of the fireworks show and leave promptly once the show is complete.

We will have security on-site to ensure people stay in the vehicle.
